This Week’s Highlights

Staff News

Congratulations to Miss Hall who is expecting a baby in the new year! Miss Hall will be going on maternity leave at the end of the Autumn term and we are delighted to have secured Mrs Seymour to cover this period. Mrs Seymour is already known to the children as she taught them for a period of time last year. She will be spending time with Miss Hall and Class 3 throughout this term to ensure consistency and a seamless handover.

PE Kits

Please make sure your child has their PE kit in school everyday - clearly labelled Thankyou.

School Clubs 
 All after school clubs begin next week and children today have a list in the classroom of who has what. Please do check your eSchools letters. If you have more than one child who applied for the same club and you’re not sure then please speak to Mr Flack. Any child unsuccessful for a chosen club this time round will be placed on the waiting list. If your child is taking part in football club, please make sure they have shin pads and football boots or they will be unable to take part.

Pre-cursive Writing
Part of today’s newsletter has been produced in a pre-cursive font - this is part of our drive toward developing a joined, cursive style of writing from Early Years onwards. We will be encouraging our youngest writers to join their handwriting and, in order to support this initiative, we will ensure that all headings, labels, some letters, parts of the newsletter, worksheets and flashcards reflect this style.

Meet the Teacher
 Just a little reminder that 'Meet the Teacher' meetings for Y1-6 take place next Wednesday (KS1 4.30pm; KS2 5.00pm). They will be held in each class accordingly. The aim of these meetings is for you to meet your child's class teacher, find out what will be happening throughout the year and get to see the class environment where your child will be learning. It is also an opportunity for any questions to be answered too. We look forward to seeing as many of you as possible.

School Uniform

Please ensure that you have clearly labelled your child’s uniform, we had a lot of lost property last year!

Welcome Back

A very warm 'Welcome Back' to everyone! It is lovely to see our children's smiley faces and hear their stories from the summer holidays! Whilst visiting each class during this week, I have seen how animated, enthusiastic and committed the children already are to their new learning. We have also welcomed our new starters in Reception class and Pre School and we are very proud of how quickly they have settled in and adapted to the next big step in their little lives! Thank you to you as parents for playing your role in helping these transitions take place so smoothly!

This term is action packed and busy, as always, it's important for our children to feel as safe and secure as they can be as they take on new challenges and step into the next chapter of their educational journey. Please remember that, in order to do this, we need to work together. Your child's class teacher is your first point of contact should you have any questions or queries about any aspect of your child's learning but please be assured that everyone here at Probus only wants the very best for all our children and we are here to listen and support in whatever way we can!

Kind regards

De Carden
