PE AND HOMEWORK

***Our PE days are Thursday and Friday. Children can come to school already wearing their school PE kit.**
Reading - Please ensure children read 5 times a week. There is no harm in children reading books that they have already read. We call this building familiarity.
Maths - Children are expected to complete 25 minutes of TTRS a week at home. We currently have 10 children who have gone green. By Christmas we aim for this figure to reach 16.
