Attention all dog owners.....

There has been a lot of dog mess around the perimeter of the school, particularly where parents/carers wait to collect their children. Unfortunately, there has been some incidents where very young children have stood in dog mess while on their way in to school. As you can imagine, this is distressing for them, the adults and extremely unhygienic. If you walk your dog to school or around the village, please be considerate to others and clean up your dog's mess and put it in an appropriate bin. Many Thanks.

Polite Request from the Kitchen

There seems to be a shortage in the amount of dinner money coming into the kitchen compared to the number of dinners children are booking. Please remember that dinner money must be paid in advance, daily or weekly. Can you also ensure that if your child brings in a purse that it is clearly named or that money is in an envelope marked with the date, amount and child's name. Remember to remind your child that dinner money MUST be put in the purse box in their class each morning. Many Thanks.

Year 2 Trip to Pendennis Castle

Year 2 had a wonderful time exploring Pendennis Castle and grounds. We were especially blessed with beautiful weather for the day. The children enjoyed trying to navigate the narrow, winding, stone staircase to the top of the turret where they could see all the way across to St Mawes. They also had the fabulous opportunity of dressing up in Tudor clothes.

Once again, the behaviour from all of Year 2 was impeccable, they are a credit to the school.

Continuing our School Games route.....

Cross Country - Yesterday, Daniel A, Gracie B, Me (Millie W), Sophie W, Tilly D, Henry C and Isla B qualified for a race at Newquay Sports Centre. Isla ran amazingly and has qualified for the final and Tilly is a reserve. Unfortunately the others were not so lucky due to the hard working course. Everybody is looking forward to the next race after the final.
