This Week's Highlights

Y4 Dance at Caerhays Castle

Y4 performed at Caerhays Castle on Thursday in glorious sunshine. The children performed a beautifully choreographed dance, across three levels of the grounds, depicting 'a local hero'. The children had chosen in advance the Dartmoor Rescue Team, inspired by their recent Delaware residential trip. Supported by a professional dancer and artist from Dance Republic (funded by an Arts England grant), the children finally performed their work in front of a host of other Aspire schools, parents and dancers and rose to the challenge magnificently! The day culminated in a finale on the beach, complete with a pink smoke screen! Thank you to parents who attended, Probuss School TA's and parent helpers. A wonderful creative celebration with our fellow Aspire schools!

YR Newquay Trip

In dreary, damp conditions our YR class faced the elements with a smile and had a wonderful time at the Newquay Aquarium and Towan Beach. It's never too soggy for bucket and spade frolics is it?

Parents & Playgrounds

Please can we remind all parents of playground drop-off procedures. The KS2 playground is supervised from 8.30am and children can be dropped off from this time onwards. Children are **not** permitted in the playground before 8.30am in line with our stringent safeguarding procedures. Similarly, the KS1 playground is not supervised in the morning so parents **MUST** remain with their children at all times until the KS1/Reception door opens at 8.45am and responsibility of your child passes from parent to school staff member. Thank you all for your understanding and co-operation.
