Friday 11th October

Bring a Pound to Work Day

The children of Probus school embarked on a mission to help the Cornwall Air Ambulance raise enough money to buy a new helicopter. Living in Cornwall is a pleasure that many of us enjoy daily, from the rugged moorland to the seas, beaches and idyllic countryside. This year alone the Cornwall Air Ambulance has flown more than 800 missions throughout the county and has saved lives with the support from donations.

Every year they airlift around 80 children, and in the future, they will be relying on the children of today to fund the lifesaving flights of tomorrow. The children rose to the challenge and filled helicopters with £1 coins. The children showed a real understanding of the importance of their mission. Thank you to everyone who donated.

Harvest Festival

Harvest Festival starts at 2.15 pm at Probus Church and we look forward to welcoming all parents. Children can be taken from the Church after the service, however, if you are unable to attend your children will be brought back to school for the end of the school day as normal. If you are able to we would appreciate a donation of food for the food bank that can be sent in with your children to school or you can bring the item along to the Church to be placed by the Font. Many Thanks

Sports and clubs Update

Probus School High Five Netball team are now the Roseland Cluster Champions 2019. The competition was played at the Roseland Academy on Wednesday, with games being played between the rain showers.

A fantastic run of 4 wins in Group B of the tournament paired them with Group A winners, St Mawes, in the grand final. The final proved to be the most challenging of the tournament as a fast-paced St. Mawes team showed great determination to get to the ball first. However, a very disciplined performance from the Probus Team allowed them to play a very slick passing game. With great parent support the Probus players soon took hold of the match and were able to collect a very healthy points total to win the game and the Roseland cluster shield.

Congratulations to Isla, Imogen J, Ernest, Henry and Imogen S for this outstanding performance. And, of course, the great parent support with transport and cheers which is always much appreciated.

Mr Flack

Oak Class art shirt request!

If you have any unwanted large sized shirts suitable for children to wear over their uniform during art lessons we would be extremely grateful for them! Please drop any donations in at the office.

If any kind parents who work in any profession linked to medicine would be keen to come into school and talk to our Y6 class about looking after your heart, Miss Norton would be really keen to hear from you!

AWARDS!

Class Celebrations

Willow: Theo, Gabbie

Beech: Tom, Eden
