Mrs Mc	School pick up It has been suggested by a parent that it would be beneficial for the environment as well as for our pupils to switch off your car engines whilst waiting outside the school gates. 'By turning off your engine you will improve the quality of air inside and outside the car and reduce pollution.' Thank you for your support. Why not sign the petition too!

Dear Parents/Carers

Soccer Aid for Unicef 2019 is just around the corner and we're really excited to be getting involved this year with our very own Playground Challenge! This is a great opportunity to get the whole school together, and for our pupils to learn about and raise money for children around the world whose lives have been disrupted by disease, hunger and poverty.

What are we doing?

To raise money, we will be...

Coming to school on Friday 2f June in Football kit or PE kit and bringing a football if you have one . Every child will have the opportunity to take part in 'keepy uppy's' or a dribble/ shooting challenge during the day.

How can you help?

Please send your child to school with £1 to donate to Soccer Aid.

Every £1 our school raises for Soccer Aid for Unicef until 23 July 2019 will be doubled by the UK government — up to £3m, making double the difference to children's lives.

Why are we doing it?

Childhood should be one endless playtime. The money we raise can help provide life-saving food and vaccines, life changing education and protection from violence so that more children are able simply to be children. Just £20 could provide antibiotics to fully treat 50 children suffering from pneumonia, and if our school raises £172 this could provide a nursery-in-a-box full of toys, games and books to help children learn through play.

We really appreciate your support and hope that you will join us to play, fundraise and change children's lives.

Please do get in touch if you have any questions at all, and to find out more about Soccer Aid for Unicef, visit socceraid.org.uk.

Thank you so much,

Yours sincerely,

Mr. Flack
