Weekly updates

Congratulations

We would like to congratulate Mrs Sarah Hunkin on her appointment as School Administrator. Mrs Hunkin will be replacing Mrs Davey in the school office from September, when Mrs Davey will join the Aspire finance team. Throughout the remainder of this term Mrs Hunkin will, at times, be working alongside Mrs Davey in reception.

Recycling!

The School Council are passionate about recycling! Did you know that Probus School has signed up to be a 'drop off' point for various recycling initiatives? We can recycle many items: crisp packets, plastic sweet and cake wrappers and plastic beauty care packaging including toothpaste tubes and brushes (must be clean).

Sports News

Thank you to all the families that joined us at our school sports day this week. We are really proud of how all of our children took part throughout the day. In the morning the children took part in various different sporting activities with much enthusiasm and the afternoon made way for the more traditional races. The children showed fantastic team spirit and a brilliant 'can do' attitude.

Thank you for the support from family and friends which made our sports day a fantastic event. We look forward to welcoming you all back next year!

Congratulations to Levan.

A big thank you to the PTA for organising the refreshments, tombola and raffle. Once again raising money to support the school.

For more information, go onto the School Council page on the school's website — About us—School Council

Road Safety

This week it has been reported by parents and staff that some children are seemingly playing a dangerous game of what looks like 'chicken' with traffic travelling through the village. This isn't the first time that this has been brought to our attention. This week, all classes addressed this issue but can we also ask for you as parents and carers to speak with your children, particularly if they walk to and from school by themselves, and remind them how potentially fatal this dangerous game is.

If you do see any children dangerously crossing the road then please let us know so we can speak directly with them and their families.

We do not want any of our children in the community to come to any harm.

Thanks for your support.
