Muck, Mess and Mixtures

Mathematics
In mathematics, we will be developing our understanding and use of:
- Place value
- Calculations
- Measurement and data
- Problem solving and reasoning

English
During this topic we will be reading and writing different types of fiction, non-fiction and poetry. Furthermore, we will be developing our knowledge and understanding of spelling, punctuation and grammar. We will study:
- Recipes
- Information texts (leaflets)
- Narrative
- Riddles

History
We will be looking at:
- Influential artists

Art and Design
We will develop skills in:
- Printing
- Colour mixing
- Mixed media pictures and collages
- Creating models

Computing
We will be learning to use:
- Stop motion animation
- Digital photography and presentations

Physical Education
We will be learning and developing skills in:
- Spatial awareness
- Ball Skills

Science
In science we will be investigating:
- Everyday materials
- Changing materials
- Working scientifically

Geography
There will be a geography focus in our next topic

Design and Technology
We will be developing our skills in:
- Food tasting
- Origins of food
- Healthy meals
- Following a recipe

Learning Environment
Let's get messy! Muck and mess is good! In fact, it's mega-marvellous! Dive in and get your hands and feet all sticky and covered in paint. Play with liquids, squish some dough and check out the slushiest and mushiest foods. Pour, mix, stir, splat! How does it feel to get your hands covered in goo? What will you make? Don't worry about the mess... it will always wash!

RE
We will be studying the religious traditions and beliefs of Christianity and Sikhism.

This plan shows the intended learning, but may change due to pupil interests.
