

Learning stimulus: Our topic will be introduced with a 'Bring your pet to school' day!

Art / DT

We will be using a range of materials creatively to design and make: animal masks; sculptures and models.
We will be developing our skills through: designing labels and making animal enclosures.

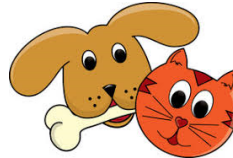

Computing

We will be using the web (laptops and ipads) to gather information about our topic.
We will be learning to retrieve images and investigate photography.

Science

We will be developing our scientific skills by:
Grouping animals.
Investigating animals' needs.
Representing our findings in graphs.

'Paws, Claws and Whiskers!'

Class 1 Summer 2 2018.

English

Opportunities for writing:

- Recounts of experiences.
- Poems.
- Lists.
- Instructions.

Reading: reading, sharing and talking about animal, poems and information books and storybooks about animals.

Maths

We will be continuing to consolidate our knowledge of our numbers and we will also be:

- Finding 2-digit numbers on a beaded line and 100 square; comparing and ordering 2-digit numbers.
- Recognising odd and even numbers; counting in 2s, 5s and 10s; multiplying by 2, 5 and 10 by counting groups of objects.
- Telling the time to the half hour and quarter hour on analogue clocks.
- Measuring lengths.
- Recognising and naming 2D shapes and continuing repeating patterns.
- Using number facts to add and subtract 1-digit numbers to and from 2-digit numbers.

From pets at home to ones at the zoo, let's find out about these magnificent creatures.

PE

We will be building our team skills through team sports.

PSHE

We will be finding out how we can take care of animals and investigating how to stay healthy.

Geography

We will be:
Learning how to use maps.
Creating our own maps.
Describing physical features.
