

Computing-

- Using effective research techniques.
- How to present information for different audiences and purposes.

Music- Cornets and singing with The Roseland School

Maths-Using and applying Maths skills:

- Know times tables facts and corresponding division facts.
- Continue to develop our mental math techniques to help us with the 4 operations.
- Explore word problems for the 4 operations.

Science –

We will be focusing on science experiments, making observations – making predictions and recording results.

- Creating a habitat for mini beasts.
- Growing plants
- Food chains

English-

- Spellings and handwriting.
- Non chronological reports – beasts and bugs
- Poetry
- Recounts
- Advertisements – persuasion
- Fantasy Narrative

Beast Creator

A bug, a creepy crawly, a beast! He'll tickle your skin then go in for the sting!

Arachnids, invertebrates, molluscs and myriapods, hiding in nooks and beneath darkened rocks... Come search for these mini beasts, and let's sort them out!

How many legs? How many wings? Who does it eat and who eats it? Can you classify it? Can you draw or make it?

Build a bug hotel or a wonderful wormery - then watch them wriggle and burrow, mixing earth as they go!

Discover where in the world you'll find the deadliest beasts – scorpions, ants and venomous spiders... perhaps the *Vespa mandarinia japonica* is the one that you fear?

Why not become a beast creator? Selectively breed a killer predator that saves the world from the super-strong aphid.

You'll be a hero!

But I know an old lady who swallowed a fly. I don't know why she swallowed a fly... perhaps she'll die?

History-

- Evolution of animals
- Charles Darwin

Foreign Languages-

The children will develop their confidence speaking as we learn through playing vocabulary games.

Physical Education-

- Team games, running and throwing techniques, Bikeability

Geography –

- Habitats around the world.
- Where do certain species live, why don't we have crocodiles in England etc?

Art and Design-

- Detailed, observational drawings.
- Sketching techniques, building tone and texture into our drawings inspired by Darwin's sketches.
- 3-D models of mini beasts.

RE – Cornwall as a spiritual place for worship.

Why people feel attracted to Cornwall as a centre of spirituality and spiritual experience
