### Medical Information

Could we politely remind all parents/carers that if your child has or develops a medical condition that requires medication that you inform the office so we can update all relevant paperwork. Thank You

### Attendance of the Week

Congratulations to Birch class with 99.3% attendance!

### Stratford-Upon-Avon Maple Class

"It was exciting being away from my family for the first time"

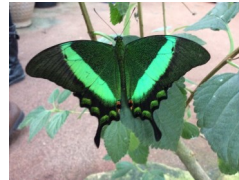

"The Butterfly farm was marvellous"

"The Castle was really interesting"

"we saw A Christmas Carol and it was Amazing"

Maple class had a wonderful trip to Stratford-Upon-Avon this year, there was so much packed in and the children represented the school impeccably. Throughout the whole trip. Thank you to parents, children and staff who helped to make it so memorable.

### Continuing our school games route.....

<https://www.yourschoolgames.com/>

Sports and Leisure clubs started back this week for the new Spring term.

So, lots of happy children running, jumping, kicking, throwing, discussing, drawing and, best of all, socialising.

Please can I remind all children and parents of correct kit necessity. All children require basic shirt, shorts and trainers for sports clubs, but a big request that those playing football and Hockey have shin pads. Any child without them will not be permitted to take part as this is stipulated by F.A and England Hockey governing bodies.

Many thanks for the continued support from parents and staff in giving the children the opportunity to further develop sports and social skills.

### Environmentally Friendly Probuss

The children and staff in school are very aware that plastic and plastic products are causing huge environmental issues in today's modern world of convenience packaging. We have therefore decided to try and make a small contribution to addressing this global situation. We are endeavouring to start the process of making Probuss School as plastic free as possible, the first step is to ask the children to reduce the amount of "Single Use" plastics that are in Lunch boxes. There are lots of alternative ideas that can be introduced to encourage our greener plans. Here are some ideas to help: Lunch boxes that have separate compartments

Reusable lunchboxes

Buy larger packets and de-cant into reusable tubs

Re useable drinks bottles

Metal cutlery

We hope you will all help us to embrace a positive move forward.

Thank You

### Gaming Alert!

You may have seen recent reports on social media regarding risks associated with children talking to strangers when playing Fortnite. Fortnite is 12+ rated game and therefore it is advised that children of primary age should not have access to it. However, if you do allow your child to play Fortnite, it is important that you understand the risks that they face and have the information needed to help your child stay safe. Go to <https://tinyurl.com/fortniteadvice> to read the Fortnite: all you need to know guide.

### Parent/Carer Plea!

Could all parents/carers please update their eschools app (if required) as some messages are failing to send.
