

## English

During this topic we will be reading and writing different types of fiction, non-fiction and poetry. Furthermore, we will be developing our knowledge and understanding of spelling, punctuation and grammar. We will study:

- Newspaper reports
- Poetry/Lyrics
- Narrative
- Labels and captions

## Learning Environment

Oh I do like to be beside the seaside! We are going to become expert beachcombers! Heading to a nearby beach, we will look for interesting and unusual objects, using our senses to spot, sniff and seek them out. We will take a peek into the cool water to learn about the weird and wonderful animals and plants in their micro-habitats. We will think about the features that they need to survive.

## Mathematics

In mathematics, we will be developing our understanding and use of:

- Place value
- Calculations
- Measurement and data
- Shape and Space
- Problem solving and reasoning

## Art and Design

We will develop skills in:

- Sand art
- Seascapes

## Physical Education

We will be learning and developing skills in:

- Striking and fielding

## Design and Technology

We will be developing our skills in:

- Making finger puppets

## Computing

We will be learning to use:

- Web searches
- Digital presentations

## Science

In science we will be investigating:

- Habitats
- Living and non-living things
- Food chains
- Basic needs of animals

## Music

We will be learning about using:

- GarageBand

## Geography

We will be looking at:

- Coastal features

## RE

We will be studying the religious traditions and beliefs of Christianity and Sikhism.
