## Weekly updates

### Sad loss of a member of the Probus School Community

Sadly, Mrs Liz Harper, an ex-school governor and our Book Club leader, passed away over the Easter holidays.

Liz's commitment, generosity and genuine love for the school and it's community was always warming and inspirational. Liz also shared her War evacuee stories with our Year 6 children over the years and more recently visited Willow Class when the Queen visited! We have very fond memories of Liz in school and she will be greatly missed. Liz has requested no flowers for her memorial service but instead has asked for a collection which in turn will be donated to the school to help towards funding some new books for the library. This act of kindness truly denotes Liz's passion for working with our children and is testament to her dedication to our children and community.

Representatives from school will be attending a memorial service on Monday for Mrs Harper.

### Sports News

#### GRASS TRACK CYCLING

On Tuesday of this week, 12 of our pupils took part in a Grass Track Cycling training day at Truro Learning Academy. under the guidance of British cycling. They were put through their paces around an oval track, learning to use different gears and techniques for differing speeds. After a while they were put into small teams and took part in Pursuit races, just like the real thing in the Olympics and World Championships !!! A very well done to Alex , Thomas H - E, Isobel H, Abigail and Shay from Maple and Jowan , Donovan , Hermione , Tyler, Alex, Mara and Maisie from Oak.
