### Sports News

#### Roseland Sports Network Awards 2019

Last night, two representatives from Year 6, Tegan and Aidan, attended the prestigious Roseland Sports Network Awards with Miss Norton and Miss Carden. It was as always, a superb evening celebrating all aspects of sport from dance, to rugby to fun games. Representatives from primary, secondary and even beyond were there to scoop up their awards. Aidan and Tegan received their Individual Sports Leadership Awards for outstanding commitment to PE and Sport within school. Probus were also the proud winners of the Primary Festival Games Benchball and Tag Rugby competitions. Finally, along with all of the other primary schools on the Roseland Peninsula, Probus were awarded the GOLD Roseland Participation Award - Wow, what an evening full of celebration!

Well done everyone!

### Healthy Snack Request

We are increasingly seeing crisps, biscuits and chocolates coming in as 'healthy snack' and lunch box items. Can we remind parents we are a healthy eating school and good habits now mean good habits later! Fruit, nuts, cereal bars or veggie sticks preferred please.

Thank you for your help.

### Outstanding Monies

As we are rapidly approaching the end of the school year, can we remind you that all outstanding dinner money, residential payments, kids club and breakfast invoices and class trip payments are made via parentpay as soon as possible. All accounts should be cleared or in credit.

Many Thanks

### Let's Make a Change!

Please see the article written by Henry and Phoebe from the School Council.

'Please help us recycle. We have already got a battery recycling box in the reception area and a Colgate box which can take any brand of toothbrush or toothpaste caps as well as toothpaste cartons. There is also a plastic box in which we can put cake wrappers. Go on the Probus School website, about us, the school council. Here you can find posters which tell you about what can be recycled at school.'

Thank you from the school council.
