Friday 1st November

Harvest Festival

A Big Thank you!

Thank you so much to all the parents and pupils, for all the foodstuffs gifted at the recent Harvest Service in the church. This has now been given to the Truro Food Bank and when weighed, the deposit came to 25 kilos. The staff at the Food Bank asked for their grateful thanks to be conveyed to all involved at the school for such a generous donation.

Poppy Appeal

Next week children will be coming around to classes selling, rulers £1.50 , wristbands £1.00, other items 50p and poppies.

Sports and clubs Update

The final water sport activity this Autumn term was completed today. Group B missed out previously due to poor weather conditions, but kayaked as a group along the Percuil waters towards Trethen Mill. Those who have taken to the Pico sailing also found the Kayaks to be lots of fun too. Mr. Bob Warren, the lead instructor, was very positive and complementary about all the children and admired how well they adapted to the differing vessels. We have certificates to give the children of Group B to mark this great achievement.

The school would also like to thank the parents and carers for their fantastic support with transport.

Many thanks
Mr. Flack

Exciting Science News!

We are pleased to inform you that Probus School has been selected to work with The Ogden Trust, who are a charitable trust who aim to develop the teaching and learning of physics in schools (electricity, forces, light and sound). We will have some exciting events planned throughout the year, including a Science Fayre and a Careers Day where we will invite ambassadors from the scientific community to come and inspire the children. If any parents have a background or job in science and would be keen to participate, we would be keen to hear from you later in the school year. This term, 2 Year 6 children will be attending a workshop and then bringing this knowledge back to school to share with others. It promises to be a whizz, bang, pop of a year!

★ ★ ★ ★ ★ AWARDS!

Class Celebrations

Willow: Poppy, Roman

Beech: Sonny, Violet

Rowan: Elenor, Oscar

Birch: Riley, Rebecca

THINK FIT

October 2019

Dear Parents /Carers,

We are currently looking to increase our Hub Council and are looking for a new Hub Councillor. The Hub Council meet once a term and also have an active role in the school. Details of the role are listed below:

Core Role of a Hub Councillor

- Focus on consistently improving outcomes for all pupils but especially for disadvantaged pupils.
- Provide challenge and support to leaders at all levels in the Hub.
- Monitor the performance and progress of the academies in the Hub, agreeing strategies to achieve continuous improvements and monitoring the Hub Development Plan. Strategic oversight of the curriculum.
- Take all aspects of safeguarding and well being seriously and appoint a designated Safeguarding Council member.
- Conduct an annual self- evaluation of the impact and effectiveness of the Hub Councils and academies improvement activities.
- Promote Trust vision, policies and priorities.
- Attend Termly Monitoring Visit and Hub Council Meeting.

Intended Impact of a Hub Councillor

- Councillors are confident in their evaluations and understanding, and do not shy away from challenging leaders about variations in outcomes for pupil groups, especially between disadvantaged and other pupils.
- Councillors monitor the effectiveness of the action's leaders take to secure and sustain improvements to teaching, learning and assessment and effectively hold them to account for this. This is communicated effectively to the Board and the Hub Director through the minutes of the Hub Council meetings.
- To carry out Safeguarding duties as detailed in the monitoring programme.

If you are interested in becoming a Hub Councillor, please submit an expression of interest at the main office.

Please come and see me if you have any further questions,

Many Thanks
