

Mathematics

In mathematics, we will be developing our understanding and use of:

- Place value
- Calculations
- Measurement and data
- Problem solving and reasoning

Computing

We will be learning:

- Photo Stories
- Algorithms

Art and Design

We will develop skills in:

- Painting
- Collage

Science

In science we will be investigating:

- Identifying and comparing everyday materials
- Identifying plants in the local area.

Music

We will be learning songs for our nativity.

English

During this topic we will be reading and writing different types of fiction, non-fiction and poetry. Furthermore, we will be developing our knowledge and understanding of spelling, punctuation and grammar. We will study:

- Recounts
- Poetry
- Fables
- Adverts

Learning Environment

This way or that way? Where should we go? Up to the local shops or down to the playing fields? Let's learn about our local community, looking at houses old and new and finding out how our streets have changed since our mums and dads were young. Ready to roll, Street Detectives? Get your clipboards... it's time to start investigating!

History

We will be looking at:

- Significant historical events
- Changes in people and places in our locality

Design and Technology

We will be developing our skills in:

- Selecting tools and materials
- Designing buildings
- Evaluating our designs

Physical Education

We will be learning and developing skills in:

- Spatial awareness
- Body coordination

Geography

We will be looking at:

- Fieldwork in the local area
- Human and physical features
- Using and making maps
- Looking at aerial images

RE

We will be learning about the nativity story.
