## Weekly updates

### Goblin Car Race

Oak Class have been working hard all term designing, making and practicing driving our schools Goblin Car. This project is to promote Science, Technology, Engineering and Maths in schools. This years competition was held at Predannack Airfield, where we are pleased to announce we won 1st place for our portfolio, 3rd for the Slalom and CAME 1st OVERALL! What a brilliant achievement! Well done to all the class, especially the drivers and pushers who were superb on the day and a massive thank you to our sponsors, Mr Collins, Mr Crutchley and Mr Weeks. Finally- thank you to Mr Toon for his dedication and talents that have helped to make this year a big success.

Tom one of drivers wrote,

'We arrived to Predannack Airfield at about 9.30. We got the car safety checked and the races began, although a little late. Maisie drove first, then the rest of the drivers went. First you had to do a drag race (around 30m long), then a slalom. The last race was the lap of champions. Imy G drove this race and went from the mid pack to the front and she set an amazing lap time. We got 3rd place in the slalom and won the overall Championship. Thanks Mr Toon.'

### PTA Leaver's Disco

Our last event this year will be our Leaver's 'Hollywood' Disco on Friday 12th July, 6.00pm - 7.30pm open to all children from Acorns Class through to Oak Class. Please return your permission slips and money to the office as soon as possible.

Please note that all children must have a signed permission slip to attend the disco. If your child will be walking home alone at the end of the disco this must be stated on the permission slip.

### Sports News

A very hot day on Wednesday greeted the footballers from the Roseland district for the annual six a side tournament. For the first time it was played at the lovely St Mawes FC.

Probuss started very slowly, drawing the first two games 0-0, but we soon picked up the pace to win a couple of games back to back. The last two games of six, were both narrow losses giving us a commendable fourth place finish.

A very well done to Archie, Oscar B, Harry N, Ernest, Freddie, Jack P, Henry C and Barney.

Again, many thanks for the parent support and transport without which we would not be able to compete.

Mr. Flack
