

Mathematics

In mathematics, we will be developing our understanding and use of:

- Place value
- Calculations
- Measurement and data
- Problem solving and reasoning

Computing

We will be learning:

- E-safety
- Researching
- Presentation

Art and Design

We will develop skills in:

- Observational drawing
- Sculpture
- Flower-pressing

Science

In science we will be investigating:

- What plants need to grow and stay healthy
- How to classify and identify plants
- How to gather and record data

English

During this topic we will be reading and writing different types of fiction, non-fiction. Furthermore, we will be developing our knowledge and understanding of spelling, punctuation and grammar.

We will study:

- Traditional Tales
- Recounts
- Instructions

Learning Environment

Tiptoe through the tulips as your senses discover the enchanting fragrances of flowers and herbs. Round and round the mulberry bush we go, planting bulbs and seeds, and watch them grow beneath sunshine and showers.

Music

We will be developing our skills in:

- Singing
- Action Rhymes

History

We will have a history focus later in the year.

Design and Technology

We will be developing our skills in:

- Designing and making products
- Selecting and using a range of equipment

Physical Education

We will be learning and developing skills in:

- Team games
- Balance and coordination

Geography

We will be looking at:

- Plants in the local environment
- Plants of the world

RE

We will be learning about the Hindu festival Navratri
