Harvest festival was fantastic, it was lovely to have so many grown ups join us for this!

We are running low on jumpers and hoodies in all sizes! Does anyone have any they no longer need that can be donated?

School lottery - Numbers have dropped on this since the last meeting, can we do more than we are to advertise? It was also raised that maybe its financially not viable to many at the moment with Christmas, harvest festival, halloween etc!

Any other business -

The PTA would like to know what are we fundraising towards this year? Does the school need anything specific? Playground equipment, SEN funds, getting the playground repainted, sports equipment, a yurt?

Sophie has suggested we could look into selling coffee, cake, hot chocs etc after school on the playground once a week/term? This is something we can look into with school.

Next meeting - Monday 10th November ^pm at the club to organise the christmas fayre!
