Curriculum

English - Our focus for the start of this half term will be learning how to write a letter.
Maths - We are containing our unit on additive structures and then will be moving on to addition and subtraction facts within 10.
Science - Our topic will be Materials.
History - We are going to be exploring who Mary Anning was.
RE- Our big question is What do Christians believe God is like?
Art- The art focus will be Craft and design: Woven wonders
DT - Making a fruit salad
PE- To begin with we will continue with Ball skills and then we will move on to yoga.

Home Learning

I can't quite believe it's Spring 2 already!

As always, thank you for the many ways you continue to support your child's learning, it makes such a huge difference.

I'm really looking forward to catching up with you all at Parents' Evening on 3rd and 5th March. There are still some appointment slots available if you haven't yet booked in.

A few gentle reminders for this half-term:

- Reading books will continue to be changed on Fridays.
- Spelling tests are also on Fridays, so please make sure reading books and spelling books come into school each Friday.
- We still encourage daily reading at home, even just a few minutes each night has a big impact.
- I will continue sending home their phonics sheets with the week's spellings highlighted. We try to keep these low-pressure and focus on encouraging children to "have a go," but regular practice really supports their confidence and self-efficacy.
- PE days remain Monday and Wednesday.
- Library books will continue to be changed on Thursday afternoons.
