

# YEAR 6 CLASS NEWSLETTER

Spring 2026

## What We Will Learn?

### English

In English, children will be writing a short narrative text, with a special focus on using speech to advance the action of a character.

### Ratios in Maths

In Maths, children will be learning about ratios and linking their new knowledge to fractions and decimals to solve a range of problems.

### Science

Children will be learning about evolution and inheritance. Children will learn of the discoveries and theories of Charles Darwin and explore concepts, such as adaptation, natural selection and inheritance.

## Upcoming Events

### **23<sup>rd</sup> and 24<sup>th</sup> February:**

Bikeability

### **5<sup>th</sup> March:**

St. Piran's Day.

### **3<sup>rd</sup> & 5<sup>th</sup> March**

Parent's Consultation.

### **12<sup>th</sup> March**

World Book Day

### **1<sup>st</sup> April**

Parent's Open Afternoon.

## Wider curriculum

Children will be making a meal to take home with them in D.T. They will need to learn about healthy and balanced diets before learning the key cutting techniques required.

They will learn about crime and punishment through the ages in History.
