Spring 2

Welcome back!

We hope you had a wonderful half term break. We are so excited to be starting some great new topics. One step closer to the summer- let's hope for some more sunshine soon!

As always, please contact us if you have any questions or concerns- our door is always open.

## What We Will be Learning

### Maths

In Maths this half term, we will be continuing to focus on times tables and multiplication. We will be looking at multiplying and dividing by 10, 100 and 1000, looking at relationships between different times tables and then moving on to co-ordinates to finish the term.

### English

In writing, the children will be looking at narrative and writing their own story with speech. We will be looking at the story 'Cinderayla' in guided reading, as well as looking at a variety of shorter texts and genres in our class reading lessons.

### Science

We will be starting a new unit based on 'states of matter' where the children will explore the difference between a solid, liquid and gas.

### History

One of my favourites- we will be learning all about the Romans!

## Swimming

2.03.26-6.03.26  
We will be taking the children to St Austell Leisure Centre swimming pool via coach every morning next week. The children will need to come to school as usual in the morning and we will be leaving shortly after our first lesson. After swimming, we will be coming back to school via coach in time for lunch. Please make sure your child has a swimming bag with; a swimming costume, a swimming hat, goggles (if your child usually wears them) and a towel.

## Home Learning

**Times Tables Rockstars**- please continue to aim for 21 minutes on TTRS every week in Garage mode.  
**Reading**- please read with your child every day.  
**Spellings**- your child will continue to have their weekly spelling test on a Friday.
