Can we look at moving from a PTA to a PTFA. More family members such as Aunties, Uncles, Grandparents would be able to get involved, people from the community could volunteer their time. This needs to be discussed further and an EGM to be held to discuss and vote for or against this move will be held.

Chris is stepping down from his role as chair at the end of the school year. Mark is looking to end his term as treasurer too. We can advertise a date for the AGM early (when we have one) and explain what each role is and why it is a wonderful thing to join the PTA and raise money for the children!

Date for next meeting - 23rd March 6pm at the club.

This will be to finalise the bingo, discuss how mothers day sales went and it will also be an EGM to discuss and vote for a PTFA change.
