

Summer Sunshine Newsletter

April 2026

Reception Class

Whose Footprints are these?

We are delighted to welcome you back and look forward to an action packed and adventurous Summer term starting with our David Attenborough birthday Expedition on the 7th May where the children will be dressing up as explorers!

Home School Tasks

Attached to the email is a selection of Topic based activities for the children to try at home and share,

Summer Wellness & Hydration

Please ensure that your child has their water bottle daily and as the weather warms, suncream and a hat.

Maths Learning this term

This term we are counting larger sets and things that cannot be seen - such as sounds.

Exploring composition of number bonds to 10.

Our Timetable

We will be continuing with our **outdoor sessions** every **Weds**, so suitable clothing and wellingtons will be needed.

Our **PE sessions** remain on a **Thursday** and we will be enjoying Games and Ball skills this term. Suitable footwear and a jumper will also be needed for these outdoor PE sessions.

Summer of Reading

The children will be developing their fluency in reading using our Phase 4 sounds and will continue to bring home weekly phonics sheets to share the learning. Please read with your child at home and share any comments in the reading log.

As always please come and see us should you have any questions!
