

YEAR 6 CLASS NEWSLETTER

Summer 2026

What We Will Learn?

English

In English, children will be writing a suspense narrative based on the Literacy Shed clip: Alma. They will be honing their skills and abilities in order to use repetition of language to build suspense, create short simple sentences as a strategy to build suspense and show that they can use the skills needed to create a cliff hanger!

Science

Children will be learning about Electricity in Science this half term. They will develop their understanding of how circuits work and what components need in order to function in a circuit. At the end of the unit, children will use lights and motors to make a car/ traffic light function.

Upcoming Events

4.5.26 May Bank Holiday

11.5.26 - SATS week begins

**18.5.26 - Medical forms in
for Residential**

25.5.26 Half Term

Reminder

SATS week 11th May
A SATS breakfast club starting at 8:15 is open
to all Years 6 pupils.

Wider curriculum

In Geography, children will be travelling around the world to understand how countries trade and what they trade. In P.E, children will be learning how to play tennis and complete multiple disciplines within athletics. In Art, children will be exploring the sense of self and create clay sculptures as well as exploring relationships in P.S.H.E.
