

YEAR 3'S NEWSLETTER

Summer term 2

Lots of exciting learning this half term!

Curriculum

In English, we will be writing a biography before weaving our character into a narrative,

Our class novels are *Gobolino the Witch's Cat* and *I was a Rat* by Phillip Pullman.

In Science, we will look at Light. Do we need light to see? Can light be dangerous? How are shadows formed?

In History, we will be using sources of information to explore changes in our local area. How has Probus and the surrounding areas changed over time?!

In RE, our big question is, How and why do people try to make the world a better place?

In PE, we will be learning cricket skills and OAA - orienteering (outdoor adventure activities).

In French we will be learning how to say and talk about fruits – les fruits.

In Computing we will be programming, thinking about events and actions. (If I do this, this will happen.)

Home Learning

Read, read and... read!

Share a love for reading with your child. Read to them. They read to you. Look up unfamiliar words.

Please write down a word that you explored with them in the reading records or anything that they found tricky.

Maths – times tables or revision work. (Hit the Button / Times Table Rock Stars)

Spellings = Morphs online

PE Days Tuesdays and Thursdays

Please remember that your child is to come to school in their PE kits (black bottoms, white top and black trainers.)

Suncream and hats are advisable at this time of year.
