

# YEAR 6

## SUMMER 2

### NEWSLETTER

#### What We Learned

##### History and English

This half term, we will be studying the exciting topic of World War 2. Children will be learning about the life of children during the war and how the location of where children lived would have effected their lives. Children will discover the differences in war-time diet compared to today.

We will be immersing ourselves in the world of World War 2 by building Andersons shelters, experience what school may have been like during the war (especially during the blitz) and empathising about the life of evacuee children.

In D.T children will be creating moving toys using cams, cogs, motors and complete their initial electric car.

#### Reminders

P.E will now take place on Mondays and Wednesdays. Children will need to be dressed in trainers and P.E kits on these days.

#### Upcoming Events
