

Probuss Primary School & Nursery

Head of School: Ms. Stephanie Moore

Dear Parents and carers

We have practised sports day in readiness for next week and keen to show our skills on the 17th June 9.15am-10.45am for Reception and KS1 and 1.30pm-3.15pm for KS2. Nursery Sports day is at 9.15am-9.40 on 18th June. Please come to the staff car park to access the school field. FOPs will be selling refreshments. You are free to photograph and film your child at sport day, but please ensure you do not put any pictures/films on social media as other children maybe identifiable. Thank you in advance.

Weekly class round up

Nursery: have been learning about our bodies. We have named lots of different parts of our bodies including our heart, bones and fingernails

Reception: have been finding out about creatures that live at the seaside. Did you know that a jellyfish uses its mouth to eat, move and to get rid of waste. In fact, a jellyfish doesn't have a brain or a heart!

Year 1: we have been busy designing our moon buggies in Design and Technology. We have explored different materials and shared our ideas, thinking carefully about what would make a strong and successful buggy. We are looking forward to making our designs and testing how well they move!

Year 2: have been investigating what plants need to grow by planting seeds and placing them in different environments around the school. They have planted them in cupboards, fridges, freezers and sand; they even have one that they will not water, to see how this affects their growth.

Year 3: have been finishing off our geography unit about rivers.

We know what can cause flooding and we have learned some of the major rivers in the UK and around the world!

Year 4: have been busy with our MTC (Multiplication Tables Check). The children have worked hard this year in preparation and have enjoyed showing off their skills!

Year 5: had a great week becoming inventors in English. They have all created wonderfully helpful inventions as part of our explanation text.

Year 6: In Year 6, children have been learning about how Britain reacted during WW2. Children have developed a diary entry showing the emotions that must have been present for many families during the war at times of evacuation.

This Father's Day surprise Someone Special with a thoughtful gift whilst also supporting your school.
Available to buy now on the link below:

<https://buytickets.at/probusschoolandnurserypta/2228350>

The dates for your diary below are now fully up to date until the end of the school year!

I hope you have a lovely weekend, and we get some warmer weather.

Kind regards

Stephanie Moore
