

Probud Primary School & Nursery

Head of School: Ms. Stephanie Moore

Dear Families

We have had a great week in school. There have been lots of great learning going on.
Thank you to everyone who attended the Macmillan coffee morning this morning we have raised £15.

Nursery: Have been learning matching and different, we now have lots of little helpers that can sort socks!

Reception: Have really enjoyed sharing our 'All About Me' bags and sharing the things we like and that our differences make us special.

Year 1: We have been learning about drawing in Art. This week, we listened to music as we drew and explored what the sounds made us think of.

Year 2: Year 2 have had fun exploring materials and making bridges. We have also written about a mythical creature.

Year 3: Have enjoyed another French lesson this week, learning how to say, 'hello, how are you?' And responding in French. We practiced this during the register.

Year 4: Year 4 have really enjoyed learning about the digestive system this week. They were able to name the organs of the digestive system, order them and explain the function of each organ.

Year 5: Have been learning about the artist April Coppini and how she shows movement in her drawings through her own gestural marks

Year 6: We have been drawing circuit diagrams using scientific symbols. We created electrical circuits using different components: buzzers, bulbs, motors and switches!

Kind regards

Stephanie Moore
