

Probus Primary School & Nursery

Head of School: Ms. Stephanie Moore

Dear Families

We have had a wonderful week in school this week. The children have all been working hard with their learning.

On Friday the 9th October we are supporting the PANS PANDAS Awareness Day by taking part in **Wear Green for Glitch**.

PANS and PANDAS are conditions that cause a sudden onset of physical and neurological symptoms in children, and the charity PANS PANDAS UK is working to raise awareness, understanding, and support for affected children and their families.

To help mark the day, we invite all pupils and staff to **wear something green** to school on Friday 9 October (this could be a green jumper, t-shirt, socks, hair accessory, or green non-school uniform).

During the day, classes will share some light-touch, age-appropriate information using friendly educational resources provided by the charity, including the *Glitch* comic and stickers.

If you would like to support PANS PANDAS UK, we welcome **optional small donations (e.g. £1)** on the day. Participation is entirely voluntary, and all children are welcome to wear green regardless of whether a donation is made.

Thank you for helping us foster understanding and support across our school community!

What we have been learning this week

Nursery: Have been making patterns with marbles using the colours orange, purple and green. All the patterns have been different just like us!

Reception: have been making collections of 3 in Maths including setting the table for the 3 bears and identifying if a collection is '3' or 'not 3' by subitising.

Year 1: We have enjoyed learning about the seasons in Science. This week, we labelled comparisons between trees in Spring and trees in Summer using key scientific vocabulary.

Year 2: We have enjoyed starting our writing unit on postcards thinking about our greetings, sign offs and including interesting information.

Year 3: We have been enjoying writing our reports non-chronological reports about our fictional prehistoric creatures and creating our dream school in PSHE.

Year 4: We have been writing our own reports about mythological creatures, and the children have enjoyed setting up an investigation to find out which environment is most damaging for teeth.

Year 5: We have been exploring how to write an introduction for a non-chronological report about a fictional planet of our choice and finding out who King Alfred the Great was.

Year 6: Have been scaling up images in Art trying to be as accurate as we can.

Kind regards

Stephanie Moore
