

Mathematics

In mathematics, we will be focussing on developing our understanding and use of:

- Place value
- Calculations
- Measurements
- Statistics

Computing

We will be developing our understanding and use of:

- Programming
- Multimedia presentations

Art and Design

We will be learning about:

- Claude Monet
- Using watercolours

Modern Foreign Languages:

We will be learning about:

- Weather
- Ice-cream

Science

We will be learning about and investigating 'Living Things' including:

- Identification and classification
- Changing environments and the dangers they might pose

English

During this topic we will be reading and writing a range of text types. Furthermore, we will be developing our knowledge and understanding of spelling, punctuation and grammar. We will study:

- Narrative
- Persuasive letters
- Poetry

Our class text will be *Treasure Island*!

Learning Environment

Grab your wetsuit. We're going deep into an underwater world of incredible coral and mysterious sea creatures. Create a fishy story about exploring an amazing underwater world. What are those bright lights in the distance? It's a group of bioluminescent sea creatures. Flippers on? Snorkel ready? Let's head into the Blue Abyss.

Physical Education

We will be learning and developing skills in:

- Athletics and swimming

History

We will be learning about:

- Fishing in Cornwall

Design and Technology

We will be developing our skills in:

- Batik

Music

We will be using the song 'Lean on Me' by Bill Withers to:

- Listen and appraise
- Performance

PSHE

Our Jigsaw unit is:

- Changing me.

Geography

We will be looking at:

- Seas and oceans
- Environmental issues

RE

We will be studying the Islamic festival Eid ul-Adha and the importance of charity.
