

Mathematics

In mathematics, we will be focussing on developing our understanding and use of:

- Place value
- Calculations

We will be practising our multiplication tables daily to prepare for the Year 4 Multiplication Tables Check.

Computing

We will be learning:

- E-safety
- Online research
- Satellite mapping

Art and Design

We will develop skills in:

- Clay modelling
- Weaving

Science

We will be learning about and investigating:

- States of matter
- The water-cycle
- Working scientifically

English

During this topic we will be reading and writing different types of fiction, non-fiction and poetry. Furthermore, we will be developing our knowledge and understanding of spelling, punctuation and grammar. We will study:

- Calligrams
- Explanation texts
- Narrative

Learning Environment

Mighty mountains peaks above the morning mists, imposing and eternal, rocky outcrops at their feet. Discover how these giants are formed, as a fold or a block, a dome or a plateau. Follow the water-cycle's course from peak to valley. But beware, look out! What's that by the tree? The footprints are huge! Have we found the Yeti?!

Music

We will be developing our listening skills and writing song lyrics.

History

We will have a history focus later in the year.

Design and Technology

We will be developing our skills in:

- Evaluating and reflecting

Physical Education

We will be learning and developing skills in:

- Orienteering
- Motor Skills

Geography

We will be looking at:

- Using maps
- Human and physical geography

RE

We will be studying Buddhism including:

- Where Buddhism originated from
- Special places
- Symbols
- Festivals
