

Probus Primary School & Nursery

Head of School: Mrs A Praed

Dear Parents,

At Probus school we are really looking forward to welcoming you in September. Our pack for starting school is on the Probus School website (under the 'Parents' section). There is also a Welcome Video on this platform so that you can get to know the staff working with your children – we hope that they enjoy this!

We will be offering a **two week staggered** entry to school. Your child will either attend morning or afternoons over the two-week period; weeks **beginning Monday 6th and Monday 15th September 2021**. This is to support the children's transition into a larger group, allowing them to explore their new classroom in a calm and inviting manner.

At the end of this letter, you will find both the transition timetable including daily timings for each session, along with confirmation of your child's designated transition group. As the transition process progresses, the two groups will merge to form the full Reception class bubble. This staggered approach will enable us to get to know your child and support their transition to school, ensuring that they feel happy, safe and secure with us, before they begin full time attendance.

Access will be through the Cullen View gate. We may still have social distancing measures in place and will confirm these nearer the time. The EYFS team will be ready to greet you each day and guide your child into the Reception classroom.

**For their transition, children with a surname beginning with A-H are in group A.
Children with a surname from I-Z are in Group B.**

Please find your child's transition timetable below on the following pages. This information covers both transition weeks. We cannot wait to meet you all!

Kind regards,

Miss A. Guy

Reception Teacher/EYFS Lead
